

AiMin Zhang, A Wise and Farsighted Rationalist

Born in September of 1967, EMBA of Tsinghua University, the General Manager of the 4th Division of TianHua Construction Group before July of 2007, the president of HuaHan Investment Group since then.

The HuaHan Group led by Mr. Zhang is one of the mainstays of NanMoFang area of Beijing, and it is also the starter and the biggest construction and exploiting organization of the 'SiFang New Habitat.' The Group has developed a series of well-known projects including the ZiNanJiaYuan, the Century City East, the Area B of Happy Valley Theme Park and the HuaHan International. Co-operated with ShenZhen Overseas Chinese Group, the Group exploited and built the Area A of Happy Valley Theme Park and the world class theme park, Beijing Happy Valley. So far today, the HuaHan Group has developed an total area of more than 16 million square meter in Beijing. As the steersman of the company, Mr. Zhang remains to stand on the height of urban developing, intergrated its projects into the overall regional planning, and has successfully turned the outdated habitat into a modern functional complex featured recreation, shopping, sports, education, travel, ecology and residency. It enabled the 'SiFang New Habitat' centered by SiFangQiao with the total area of 6.5 square meter to be the pioneer of the ChaoYang district, boosted the construction of the overall regional planning, which in turn benefits its own projects from the mature of the whole region. It is quite obvious that, in addition to the devotion of the company, the rational operation of the steersman puts into full play.
